

REACH Regulation Conformity

Regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), established a European Chemicals Agency, amending Directive 1999/45/EC and repealing Council Regulation (EEC) No 793/93 and Commission Regulation (EC) No 1488/94 as well as Council Directive 76/769/EEC and Commission Directives 91/155/EEC, 93/67/EEC, 93/105/EC and 2000/21/EC

Nox Medical is a producer, importer, and supplier of articles, as defined in article 3 of the REACH regulation.

No substances in Nox Medical products are intended to be released under normal or reasonably foreseeable conditions or use. Therefore, Nox Medical is not subject to the registration requirement.

In effort to address the requirements of the REACH regulation, Nox Medical is regularly monitoring the continuing additions of substances of very high concern (SVHC) to the *Candidate List* and is in contact with suppliers to ensure that they meet the REACH regulation.

To the best of our knowledge, Nox Medical products do not contain any substances listed on the SVHC above 0.1% weight by weight (w/w).

Nox Medical herewith declares that all our products are manufactured in compliance with REACH Regulation.
